Description

Hi there,

My name is Eden Airola. I am nine years old and a first-year member of the Farmington 4-H. This year I am ecstatic to be able to show and sell my market goat in person at the 2021 San Joaquin AgFest. Being my first year showing a market goat, I learned a lot on what takes to take care of and raise a goat. I am learning all about goats and preparing my market goat for this year's show.

I'd like to introduce you to Gilby, my 70 lb market wether. Gilby is a Boer cross, who I hand selected with the knowledge I learned in 4-H. It took a while to break Gilby of his bad habits, as he didn't like being walked, braced, or his legs touched... but after a lot

of hard work and determination, I believe he and I are ready to take on the showmanship and market rings!

As part of my raising and showing experience, the final step is to sell my market goat at the AgFest Auction. I'd like to ask for your consideration in supporting my market goat project at auction by bidding, purchasing, or even contributing in the form of an Agricultural Education Scholarship or an add-on in my name.

Last year's sale was hosted fully virtual, but this year I am excited to share that buyers will have the option to join in person or from the comfort of their own homes – in LIVE time!

Market goats will be selling on Saturday, June 19th, starting at 9:00am. The live sale will take place at the San Joaquin County Fairgrounds (1658 S Airport Way, Stockton). Because this year's sale format is slightly different than years past, I have included a letter outlining additional information for AgFest buyers. This document reviews how to join in person, or setup an account at [stockshowauctions.com](https://www.stockshowauctions.com) to join from your computer.

I am extremely proud of Gilby and cannot wait to see how he does at AgFest. I hope you will be able to attend the AgFest sale in person, or virtually. Your support would be greatly appreciated!

If you have any questions about the AgFest sale or my market goat project, please do not hesitate in reaching out.

Sincerely,

Eden Airola
