### **Description**

Hello, my name is Gustavo Garcia Jr. and I am 13 years old. This is my 4 th year in 4-H and my 4th year showing a lamb. My lamb's name is Bow. This year I have been more responsible and have done many things on my own. I learn from my sister who has been doing this longer than I. I hope to do good in showmanship along with Bow.

**Quantity:** 114
