County San Joaquin

City Manteca

Animal Weight (in Pounds) 115

Description

Hi my name is Natalee Mosher, I go to East Union High school and I am a sophomore. I have been in FFA for two years now and I was raised around animals all my whole life. This year will be my first year showing a lamb and I am excited for this opportunity. I will be an East Union FFA officer this coming year and I am super excited to be secretary. I have had my lamb that I named Nugget like a chicken nugget for 4 months and I have worked really hard with him. I have learned that if I don't work with him he can get very grumpy and be difficult to show. I have also learned that when I put in the time to work it shows and makes my life easier and my advisor happy. I hope that you will have the opportunity to meet him and I at Ag Fest on June 19th at the auction.

Thank you for your taking an interest in my lamb project.

Quantity: 115
