Validation Tag or Show reference# 501

County San Joaquin

City Vernalis

Animal Weight (in Pounds) 265

Date of Reported Weight 06/16/2021

Description

Hello, my name is Trista Thoming, and I am a member of the Delta Charter High School FFA. I will be graduating from Delta Charter High School in Tracy this June. I am going to start at Modesto Junior College in the fall with plans to transfer to a 4-year university to study business administration. I have been very involved with sports throughout my high school years, playing varsity volleyball, and basketball. In addition to sports, I have been very active in FFA, with a focus on raising hogs for the San Joaquin AgFest. Sadly, last year, my project was cut short when the state had to shut down due to Covid-19. I am thankful that this year is different, and can't wait to show! This year I will be showing a cross named Chief and I have been working hard with him since it is most likely my final year showing swine. Prior to FFA, I showed hogs through our local 4-H club. In other words, showing pigs has been a huge part of my life and growing up. I have learned valuable business lessons while engaging in these projects. Lessons that will undoubtedly serve me well in my future career in business.

Quantity: 265
