Description

Hi my name is Briley Silva and this is my first year showing at Ag Fest. I have been attending fair and Ag Fest since I was 1 month old and finally get to show this year. I decided to show a lamb this year. My brother has showed both lambs and pigs but I thought I would like this the best. My lambs name is Flea because I bought her from a girl that had named her and my lambs sister Flea and Tick. I thought it was a good name so I kept it. I am excited to go to Ag Fest and see how Flea does at the show. I would love for you to help buy my animal or other peoples animals at Ag Fest.
