Description

Hello My Name is Grayson Roman and I'm currently raising a market swine for Manteca FFA, and i go to Manteca High school currently as a Sophomore . I'm raising a Duroc and her name is peanut due to her brown color. She is gaining weight really well with no problem. I was hoping that someone may be interested in biding for my pig. I have worked very hard on raising her this would be my second year raising a market swine but first showing. I would so greatly appreciate it if you bid on my swine it would help and mean a lot to me because this would probably be my first and last year showing a animal if you read this far i thank you for your time and have a wonderful day.
