### **Description**

Hi my name is Devin Teicheira and I am 11 years old. Today I am here to sell my 4H swine project Smoke (Smo) but to also tell you a little about myself. I'm one of 4 kids to my parents Frank and Sarah. I love playing sports and giving my time and energy to my animals. Beside showing swine I also have a dairy cow named Spot. This year I was lucky enough to play baseball for Northgate Little League as a Major Mets player. After last year I found that we can still persevere even in the hardest of times. I am thankful that we have the support of an amazing community like you all. I am so excited to get back in the ring and show how much time I have spent with Smoke. I also cannot wait to continue my journey in this project and hope that you can help me continue to show swine. All the money that I earn goes back into my projects for next year. I have found that as times change the one constant thing in our life is the love of our AG community. Thank you in advance and I hope that you can either donate or purchase my project Smoke.
