Hello, my name is Rock Evans, I am 16 years old, and I am a part of the Tokay Colony 4H club.

This year I am selling my **Market**

Goat at the San Joaquin AgFest show. I am excited that this year it will be in person.

Being my 3rd year showing at AgFest, I have continued to learn more about goats, budgeting, responsibility, and much more. I have learned from my mistakes when working with my **Market Goat named (Dale)**, and I am confident in mine and his hard work with the training and commitment to wanting to be on top of the podium in the show ring.

Dale is a **Boer Goat** that I had hand picked from the knowledge I have learned from my amazing 4H leader. When I first got Dale he was only 52 pounds, but with me feeding him a high protein feed at 3 pounds of food a day he now weighs 85 pounds as of May 28, 2021, and he is still growing!!

The final step of this amazing experience is to sell my **Market Goat** at AgFest auction. I'd like to ask for your consideration in supporting me and my project by bidding, purchasing, or contributing in the form of an Agriculture Education Scholarship or an add-on in my name.

This year there are two ways to contribute, one is to come to the live auction at the San Joaquin fairgrounds in Stockton, California. The other way is to go to StockShowAuctions.com and click on the San Joaquin AgFest Livestock Auction. If you look up my username, **Rock_Evans_**, you can favorite it and go and bid, and/or check your bid on Dale. The auction will start on **June 19th at 9am online and in person.**

The address of the fairgrounds is **1658 S. Airport Way, Stockton**. If you can make it I would love to meet you and hopefully show you my **Market Goat** in person if you are interested in helping me with this project. If you can't make it I would still very much appreciate it if you could help out.

Sincerely, Rock Evans
