Description

Hello. My name is Noah Gutierrez, and I am a member of Farmington 4H. I am 13 years old and am graduating from 8th grade this year, so this will be my last year in 4H. I enjoy playing baseball and basketball, riding my skateboard, and target shooting. I love to hangout with my friends and family. My family and I go to Christ Community Church in Ripon where I attend the youth group.

I am a first generation 4Her, as no one else in my family has ever done 4H. I have been in 4H for four years, and this is my third year doing goats. My goat's name this year is Stanley. He has lots of energy and enjoys playing with my brother's goat who he shares a pen with. I have learned a lot about goats in 4H, and how to take care of them. I have learned responsibility and discipline in working with them and am sad that this will be my last year participating in 4H. Although, I am considering doing FFA next year at Escalon High School.

I am participating in showmanship and selling Stanley at the San Joaquin AgFest auction this year. I would really appreciate it if you would help support my 4H project this year. I hope you will

consider supporting me in my 4H project in some way. Thank you so much for your time and consideration.
