Description

My name is Leyla Loudermilk-

I am thirteen years old and in the 7th grade at Lodi Middle school. My favorite subjects are; English, Language Arts, and History. I really enjoy spending time with my family and friends. This is my third year in 4H and doing market swine. In February, I bought a pig which I named Genoa. I picked this name because it is where I often go to visit family. She is a Crossbreed, I also have cousins who are doing 4H so Genoa is used to being around other pigs, and has a very calm demeanor. I have learned a lot from being involved in 4H and raising my pig. It has taught

me self discipline and responsibility, in addition to; proper feeding methods, how to care for them, the anatomy of swine, as well as proper record keeping and budgeting. I have really enjoyed my experience in 4H this year, and I have enjoyed the opportunity to learn about raising market pigs. I am most excited to be back in person and doing a live auction.
