Description

Hi my name is Bryce Vallee. This is my fourth year showing a market hog for Farmington 4H. This year I am selling my Hampshire barrow named Sir-Oinks-A Lot, but I also call him Big Guy. I call him this because he is the biggest pig I have bought. When I bought him on February first he weighed 73 pounds. When I take him to the fair I hope he will be 270 pounds. If he weighs this much he will have gained around 200 pounds.

This year my family and I went to three jackpots. Throughout the jackpots I have become a better showman and my pig has learned to keep his head up, walk from side to side in front of the judge and he has even learned to lay down. Big Guy has a very large frame so when his head is up he shows it all off. Sir-Oinks-A Lot has a lot of super yummy meat on him, and the best spots are the bacon and hams.

Thank you for taking the time to look and read about me and my project. I hope you have a chance to bid on Sir-Oinks-A Lot.
