Description

Hello and thanks for checking out my pig! If you don't know me already, I am 11 years old and going into sixth grade. This is my second year of selling a market hog, his name is Hamlet. Hamlet is a very cute pig because of his giant ears and loads of energy. If you couldn't tell, his breed is Hamshire.

Working with Hamlet this year was a great experience because we really tested our skills by attending jackpot shows. Attending jackpots taught me what to practice more and kept me focused on how much work I needed to do with Hammie. I worked very hard this year so I could do even better than last year.

Overall, I think Hamlet is a great market pig. He walks very well with his head held high showing off his excellent frame. He is tall, long, and has a lot of muscle...meaning he is going to have tons of delicious meat!

Thanks for taking the time for reading this and I hope you have a chance to bid on Hamlet.
