Description

I purchased my Blue Butt gilt on February 6, 2021. When I brought her home she was just a small and shy 50 pound piglet. After getting use to her surroundings with month of training and feeding she has become a happy 215 pound pig as of May 22, 2021. She has developed very nice hams, belly, and shoulders. Out of the four pigs I have raised I believe that this Blue Butt is my best one.
