Description

My name is Vivian Parsons and I am from Ripon FFA. I am going into my Junior year at Ripon High School. This will be my third year in FFA and my first year showing lambs. I decided to show a lamb this year because my cousin was a big part of FFA when he was in high school. He told me all about his experiences with the animals he raised and how rewarding it was. My lamb's name is Beau and when I first got him he weighed 63 pounds and is now 122 pounds. To get him ready for the fair in June I make sure I take

proper care of him. That includes making sure to keep his pen clean, his water is filled and clean, he gets his food twice a day, and keep records of his growth. At my school, we use a system called AET, or Agricultural Experience Tracker, which has helped me keep track of his health. Through raising and preparing to show my lamb I have learned perseverance, which I have to have a lot of so I don't get too frustrated with my lamb, patience, self-motivation, and responsibility.
