**Animal Weight (in Pounds)** 105

### **Description**

My name is Aiden Berchtold; I am a high school senior and I have been involved in East Union FFA for the past 3 years. This is my second time raising and selling a market goat. I have been raising animals since I was 6 years old and invest a great amount of time into each animal project I raise. On top of FFA I am a cheerleader for East Union Highschool and heavily involved in Theater at East Union serving as the Theater Clubs President for the past 2 years, I am also East Union FFA's Sentinel. I have put many hours of work into my market goat this year and believe that all of that works has paid off.

**Quantity:** 105
