Description

***Update- he placed first in his weight break and got to go back in the ring for lightweight champion drive. The Judge really liked him!! We also did great in Advanced showmanship, placing 7th out of 16.*

Allow me to introduce you to Lafayette. He is a Hamp cross lamb that weighed in at 121 pounds. I have raised 5 market lambs over the years and this is the first time that I have had this much muscle finish so early before fair. He feels fantastic! I am excited to show in person this year at AgFest with my market lamb project. I appreciate all the support I get from my parents and project leaders, but especially you the buyers. Last year, I was able to pay breeding fees for my ewes, purchase my market lamb, support my show rabbit project, treat myself to a new cell phone and fly to spend time with my big sister out of state. I also have a savings account and am starting to save towards college. Thank you for supporting me and my 4H projects.
