Description

Hi, my name is James Boysen, I am 13 years old, and I attend Waterloo Middle School in Linden California. Some of my Hobbies are riding my bike, playing baseball, playing football, and having a steer.

This is going to be my fourth year showing steers at the San Joaquin County AgFest. Back in October of 2020, I bought my steer in Valley Springs and named him Petrie. I have learned a lot from being involved in 4-H such as having discipline and not getting upset with Petrie if he is not doing what I want him to do. I have also learned a lot about taking responsibility when it comes to feeding him. I really enjoyed having my steer this year. I

This year at AgFest, I placed 3rd in market and I advanced into Advanced Showmanship. I am very happy with how my steer behaved and I am looking forward to next year.
