County San Joaquin County

Animal Weight (in Pounds) 1187

City Linden

Description

Hello, my name is Jared or "JT" Cox and this is my second year of showing market steers through Linden FFA. I am currently a sophomore at Linden High School and I have had a great time showing steers. While not attending to my steer, I play varsity baseball, compete in livestock judging events, and am an angler for the Linden High Bass Team. I also enjoy hunting, fishing, sports, dirt biking, and many more outdoor activities. I have earned my Greenhand degree and my Chapter Degree for my hard work through FFA. I have learned about leadership, patience, responsibility, resilience, and accountability because of the tasks and hard work that is required to take care of an animal. Stetson, an orange and white steer, is a very playful steer that is full of energy and muscle. Thank you!

Quantity: 1187
