Description

Hi my name is Amayah Herrera I currently just finished my junior year at Manteca High School. I have now been in FFA going on four years. This is my second year raising cattle but my first year showing due to Covid last year. I love working with steers because they keep you on your feet and your never bored, that's for sure. This year fireball has definitely lived up to his name. He has required many hours of hard work and dedication. This year has also been challenging with all the rising prices and having to learn how to budget but still make sure Fireball gets everything he needs. Even though I am sad to see Fireball go I am excited to see what next year has in store for me. Thank you for taking the time to read this I hope to see you all at the auction!
