City Tracy

Description

Hello! My name is Kathleen Morelos and I am a Junior at Tracy High. This is my third year showing a Market Steer. I am very active in our community and work very hard in many Leadership rolls. I am this years Junior AgFest President, 2021-2022 Tracy FFA Secretary, 2021-2022 Jefferson 4-H President and I am a Junior Coach for Tracy Tritons Swim Team. This year my steer Nashville and I traveled up and down the state of California competing in many Jackpot shows. Nash and I have spent endless hours in the barn together. I often found myself in Spanish class with a steer mooing as the teacher called out role call for the day! My profit from this years project will help me to improve my cattle herd, purchase next years project and will help me prepare for college.

Quantity: 1245
