Description

Hello potential buyers, my name is Ava Brocchini and I am raising a market steer through Ripon FFA for the first time. Dutton is a Charolais and Chianina mix. He looks big but he's just a blonde teddy bear. Dutton loves to play with the garden sprinkler in his corral. He has been a calm steer who likes to stand on the scale, go for walks, get showers, and eat. I have enjoyed raising my steer since September. It is my goal to produce quality beef for you, the consumer. Please come see Dutton in-person at AgFest, you'll love him as much as I do. Dutton came in 1st in his class and 6th overall for FFA market beef.
