FFA Chapter or 4H Club Name Lodi FFA

Validation Tag or Show reference# 557

County San Joaquin County

City Acampo

Animal Weight (in Pounds) 270

Date of Reported Weight 06/16/2021

Description

Hi my name is Carson Devine and I am a senior at Lodi High school. This is my fourth year in FFA as a member of Lodi FFA. I am raising a market hog for the San Joaquin County Ag Fest for the fourth time. I purchased my market hog Clementine, which is a crossbreed, in early February, and have been working with her every day! When I purchased Clementine, she weighed approximately 40 pounds. She has been steadily gaining around 2 pounds per day. As of May 15 she weighed 224 pounds and by the week of the fair, she should weigh about 270 pounds. Throughout the process of raising my hog I have worked extremely hard to raise a healthy and happy pig that will be well trained and perform to the best of its ability at the fair. During the last 4 months my pig has made drastic improvements in her training and we have both grown enormously from this project. With this experience, I have gained a great sense of responsibility. It is my job to ensure my pig is well-cared for and in great condition for

fair. I have gained a stronger understanding of budgeting and managing my finances throughout the project.

Quantity: 270
