Validation Tag or Show reference# 23

County SAN JOAQUIN COUNTY

City Acampo

Animal Weight (in Pounds) 23.10

Date of Reported Weight 06/11/2021

Description

My name is Colin Welsh, I am completing the 5th grade at Commodore Stockton Skills School and I am 10 years old. This is my 4th year in Oak View 4-H Club. What I like most about 4-H is participating in my club, such as doing crafts, and helping my club. My project this year is turkeys and this is my first year participating in the San Joaquin County Agfest. I will be showing and selling my market turkey.

Right now I have a hen named Donkey and she was born on February 25, 2021. What I like about my turkey Donkey is watching her grow up from a baby poult to a fully grown hen. I have also learned that the turkeys neck part with the bumps is called the caruncles. My 4-H Turkey leader is my mom, also known as Cathy. My mom has helped me learn a lot of things about turkeys. I have learned how to flip the turkey and how to calm my turkey Donkey.

All the things I learned have made a difference by helping me be brave to participate in things like this with my Oak View 4-H Club. In the beginning I was very nervous to flip my turkey when I was practicing. Now I feel more comfortable flipping my turkey since I have done it a couple more times and also learned to calm Donkey.

I would like to invite you to come by the San Joaquin County fair on June 19, 2021 to support, or buy my turkey, or one of my other club members projects/animals. Your bid on my project animal will go towards my first car or help pay my college expenses.

Thank you,

Colin Welsh
