### **Description**

My name is Reginal Welsh, I just completed the 8th grade at Commodore Stockton Skills School and I am 13 years old. This is my 6th year of 4-H with Oakview club in Acampo, California. This year I am serving as a secretary officer. What I like most about 4-H is participating, and being an officer as secretary. My project this year is learning and showing turkeys at agfest. I have a turkey, she is a hen, and her name is Bucko. Bucko was born on February 25th, 2021 and I have been caring for her since then. I like misting the turkeys because, when I do, they all just stand still and let it hit them since it can be hot sometimes and it feels nice to be hit with something refreshing. I have learned that baby turkeys are called poults. My goal with Bucko is to be able to work with her better because she is a little hard to work with since she is so scared. I have learned most of my knowledge about turkeys from my turkey leader Cathy, also my mom.

I would like to invite you to come by the San Joaquin County Fair and show your support for Oak View 4-H by stopping and seeing our livestock projects. There will be members of our club around to answer any questions you might have. I would also like you to attend the Junior Livestock Auction for turkeys being held on June 19, at 9am. Your bids at the auction will make a difference to the Oak View 4-H club whether you buy my turkey or one of my club members project animals. Selling the turkey I have raised this year will give me the money I need for next year's 4-H projects and future college expenses. This year is a bit different than the others because this year you will be able to join in-person or online! Hope to see you there! Agfest will be held in Stockton at San Joaquin County Fairgrounds 1658 S. Airport Way, Stockton, CA. I will be showing my hen Bucko on June 11, 2021. My turkey will be auctioned on June 19, 2021. I have put a lot of work and time in raising my turkey Bucko and am a very active member in 4-H. If you cannot come to the auction I would really appreciate it if you could provide an add on.

Sincerely,

Reginal Welsh
