Description

RESERVE SUPREME CHAMPION MARKET LAMB Hi, my name is Zachary Asmus. I am in 9 and in Alpine-Victor 4H. This is the 1st year in 4H but I've been around sheep my whole life. My family has some breeding ewes and this year I've picked my lamb for Agfest when he was just a week old.

This year I have named my lamb Wakanda because I love Marvel movies. Wakanda is the home to the Black Panther. Every day and night my sister and I go out and feed the show lambs. I feed him 1 lb. of Lamb Slam morning and night. For exercise and training we walk them about 4 days a week for 2 hours. Also I work with him on the stand to

teach him patience. The thing I like best about my lamb is that he walks really good and he was really sweet and calm.

I am really excited to show him this year at fair. My show day is Tuesday June 15, at 10:00 A.M.

I would like to invite you to the Agfest Auction on Saturday June 19, at 9:00 A.M. at the Stockton Fairgrounds. Thank you for considering my project animal. Zach
