Animal Weight (in Pounds) 1285

Date of Reported Weight 05/23/2021

City Stockton

Description

My name is Kyle Mann and I am 16 years-old and a student at Lodi High School. I am a member of the Alpine Victor 4-H club. I have had many great experiences with 4-H and I have learned a lot, especially about accounting, animal nutrition, and the importance of personal responsibility. In addition to FFA, I enjoy fishing, hunting, sports, and spending time with family and friends.

This is my fifth year raising an animal for agfest, and this year I chose to raise a steer. My steer, named Bill, has been raised on a diet of Nutrena Stock Grower grain, hay, corn, and additional supplements. I have dedicated a lot of time to halter breaking him and preparing him for fair. He has been well exercised through frequent walks. Bill will be shown and sold at the 2021 San

Joaquin County AgFest market beef auction. He is expected to weigh around 1350 pounds at the time of auction.

The 2021 market beef auction will have both online and in person bidding. The online auction will be held on a platform offered by Stock Show auctions. My steer Bill will be sold at the San Joaquin AgFest Market Beef Sale which will begin at 9:00 am on Saturday, June 19 . The money I make from the auction will be put toward my education. If you are interested in doing an Add-on to support me, that is also an option. I would appreciate your support for my project and hope to see you at agfest this year! If you have any questions you can email me at mannkyle87@gmail.com or give me a call at (209) 400-0139.

Quantity: 1285
