### **Description**

My name is Caidence Galluzi and I am thirteen years old. I have been in 4-H for 7 years and in the pig group for 4 years. I live with my two little brothers and my mother and father. I do very well in all my school subjects and I really enjoy reading and art. The things I do the most are read, sleep, eat, and most of all, sketch. I have taught myself to draw ever since first grade. I have been honing my skills ever since. My father taught me how to wire up electrical outlets and I wired up all the outlets in our home addition last year- the code inspector said they were perfect.

For the first time, I have a female pig, called a gilt, and her name is Scarlett. She is a Yorkshire / Hampshire cross. She likes to eat, play, and cause mischief. Scarlet likes to rub her back against the wheel barrel while my brother and I clean her pen. Scarlet messes with everything! In fact, she will nibble on shovels, wheel barrels, and other countless things. She's knocked over the wheel barrel several times while cleaning her

pen and she even tries to eat our boots while we are working. But, she is very sweet none-the-less.

Thank you for your time and please consider investing in me by bidding on my animal. All proceeds go to my college account for my future education.
