### **Description**

Hi! My name is Samantha Gianelli and this is my fifth year in 4-H. I have raised livestock each year, but this is only my second year raising and showing a lamb. The animal I am selling is my market wether, Ricky. I bought him in late January and have had a great few months feeding, training, and showing him. I took him to various shows throughout the spring which gave me a lot of ring time and greatly improved my showmanship skills. In addition to my market lamb, I also raised a breeding ewe named Lucy. I showed her along with Ricky throughout the spring and I loved every moment of it. If you look further into my livestock, you will also find goats, lots and lots of goats! Currently, I have nine goats, three of which are pregnant. I am expecting kids on June 18th, and this will be my first set of homegrown goats. I am excited to start this breeding venture, and any money I make off of selling my lamb will go towards covering breeding expenses and continuing to grow and expand my goat farm. I would appreciate it if you would consider supporting me and my livestock!
