Description

I'm Kendall Anderson, a 4th grader at Dent Elementary in Escalon CA. I have raised a Boer Goat named Millie, she is a brown and white and is my first goat. I've learned how to walk, feed, and brace my goat. She is fed twice a day half a pound in the morning and half a pound at night. Millie is a very sweet and friendly goat that likes kids, horses and dogs. She loves water and treats like lamb slams and also going on long walks.

Quantity: 93
