## **Description**

I am from the Tokay FFA chapter and i am currently raising a market rabbit for the San Joaquin Ag Fest. I am 14 years old and a freshman attending Tokay High School. This is my first year participating in Ag Fest and i am extremely excited! I decided to do this because i thought it would be a fun experience to work with rabbits and their environment. I also want to use all of my preferences for college to attend Indiana State University where i can continue my education, and continue to play basketball.
