Description

Hi my name is Roman Alejandro I am 13 years old and going to be in 8th grade. I am raising a male Chester white this year. I attend Jefferson Elementary School in Tracy,CA. I enjoy gaming and raising my swine every season This is my third year raising a swine. It has been a fun experience each year. My first year I did not make it to auction due to my pig getting sick and not making weight. The second year I did pretty well except everything was different and we didn't go to AgFest due to covid. this year everything has gone great with my pig it did not have any elements and it gained wight easily and he is looking great. This year I am looking forward to showing my pig and walking on the auction stage.
