### Description

**SUPREME CHAMPION PAIR OF MEAT BIRDS** My name is Gloria Martinez Mota and I am a graduate from Merrill F. West high school. This year will be my second year of showing market broilers for fair. I have worked with broilers throughout my four years of high school with various research projects in which I will be competing at the national level. Raising broiler chickens has always been my passion in which I do daily tasks of cleaning and turning shavings, making sure all chickens are provided with fresh clean water, and always feeding a high quality feed.

I plan on attending Coe college in which all the profit that I earn will be invested into supplies needed for my freshmen year of college. I plan to major in nursing and aspire to help give back to our community.

Thank you for your time and have a wonderful day.
