### **Description**

My steer this year has placed 2nd in his market class. I've been a member with Jefferson 4-H for 7 years. This is my 5th year taking a market project. My steer project is a Maine-Anjou Short horn cross named Bucky. We got Bucky at only a few months old with his registered mom. I got to work with him from a very young age and train him. He has grown well and is on track to be around 1200 lbs. I will be showing Bucky in person on June 13th. Then there will be an in person and online auction on June 19th.
