Description

Hello! My name is Travis Affonso and for my final year showing at Agfest I will be exhibiting a market steer that I call "Dusty." I'm currently a freshman at Cuesta Community College In San Luis Obispo. I will be representing Linden FFA like I have for many years in the past. My market steer Dusty was born and raised out of my personal cattle herd that I started as a small project early in my high school career. I currently own thirty head of Black Angus cattle that I plan on breeding to produce more high quality beef animals such as Dusty himself. Thank you for your time and consideration. Stay safe out there!
