Hello my name is Sienna Wallior. I am 14 years old and I live on a farm both hobby and 4-H project. I love working with and around animals, along with riding and working horses. I farm sit for our friends and family to help support my projects. I am currently in my 2nd year of market swine and 7th year of 4-H. I plan on having a future in agriculture and continuing my family's farm. I am going into Freshman year of high school and planning on taking a agriculture class and a mechanics class. Thank you for taking the time to read about me.
