### **Description**

Welcome! May I introduce you to my swine project, 2K! I got 2K in February when he weighed about 30lbs. 2K was a bit on the smaller side compared to many others, but he has shown great progress on putting on weight. 2K is a Berkshire cross who enjoys laying out on the grass and playing with my dog. He even barks like my dog. They chase each other and have races around the house. They're so much fun to watch together. I learned a lot this year on how to maintain 2K's living area. This year I experimented with gravel. I laid gravel out for his pen. This helped keep 2K and his living area much cleaner. It was a lot of work but it was worth it. 2K has had such a great life! He is super smart and very playful. Thank you for considering investing in 2K!
