Description

Hello!

My name is George Alcala and I am a senior at Merrill F. West High School and will be attending Modesto Junior College as an Agriculture Science major next year. This year I will be representing the Merrill F. West FFA chapter at San Joaquin Ag Fest by exhibiting several different projects. As a fourth-year member of my FFA chapter, I've decided to increase the number of SAE projects and most will be shown at this year's Ag Fest. This year I will be showing a market hog, an entomology exhibit, three floral arrangements, and an informational agricultural panel display. In past years, I've shown Market Rabbits, Market Goats, Entomology exhibits, and Informational Ag

Panels. Last year I placed both Best of Show and Best of Division in the Entomology exhibit contest. I also placed second in the Ag Panels Display contest in 2019.

This is my 3rd year showing and auctioning a market animal. This year I will be showing my market Hampshire gilt, Janice. I've been raising Janice since the 7th of February. Janice started off at 44lbs and she is currently 216lbs. She has had a consistent gain every week. My daily chores consist of walking her a minimum of an hour per day, feeding her six pounds of 17% ShowRite Swine Feed, filling up her water container, washing & conditioning her skin, and keeping her pen clean. Although the past year has been rough for all of us, I am genuinely excited to be able to show and auction this project. I will be selling my hog live on Saturday, June 19th, 2021 at 9:30 am at the Ag Fest auction, but there is also an option to support via a simulcast auction at:

I cordially invite you to this year's San Joaquin AgFest and would appreciate your support by purchasing my market gilt. If you are not interested in purchasing my pig but would still want to support me, an add on would be greatly appreciated. If you are unable to attend but would still like to purchase my market gilt or "add-on", please see the link above or you can contact me via phone number +(209)-518-0589 or my email gzalcala@yahoo.com for any arrangements to be made.

Thank you for your consideration!

Sincerely,

George Alcala
