Description

My name is Remus Kubik and I am a sophomore at Merrill F. West Highschool. I plan on attending Delta jr. Collage after graduation to help further my education in becoming an Environmental scientist. My Supervised Agriculture Experience is raising a market hog to show and sell at San Joaquin Agfest this summer. Some other FFA activities I have taken part in are Agriculture pest which is a Career Development Event where I placed second individually and first as a team, as well as three different speaking competitions which were creed, Opening and closing, and Impromptu.

This year my hog is a Yorkshire gilt named Edith. Some of my daily responsibilities I am required to take care of her are feeding her 17% protein show right hog feed, refilling the water, and walking her. My goal for this year is to raise the best-behaved hog.
