About Us – Mason & Peppa

Hi. I'm Mason, and I named this year's project Peppa - Peppa Pig, for my little brother. He's 4, and he LOVES doing "chores" with us, so I thought this would be a good way for him to be involved even though he may have a few more years.

Peppa has been really easy to work with this year, except for her light skin. We have screen netting hanging over her pen, so she doesn't get sun burned, but we need to add some more to keep her safe. She also loves water. Sometimes when I try to walk her in our back yard, she lays down in the irrigation puddles.

I'm very happy that we get to have a fair this year, since we didn't get to show last year. We have a few more weeks, and Peppa is already getting her food portioned so she doesn't weigh too much!

I hope you enjoy my pictures below! Please bid on me and Peppa!
