Description

This will be my 4th year completing the market swine project, I'm so EXCITED to be going to AgFest this year! I am 12 years old and in 7th grade at Oak View Elementary. I love being in 4-H and also love playing catcher and outfield on my baseball team in Galt.

My pig is a Spot and his name is Gunner, he loves to run around and his favorite treats are marshmallows. I have learned so much over the last few years in the swine project. I understand what to look for while choosing a pig, how and what to feed them, the importance of weighing them regularly and keeping them and their pens clean. It's been fun this year helping my sister with her first year pig project, she's been helping me these last few years so I know she'll do great!
