**Description**

My name is Pablo Martinez Mota I am currently a sophomore at Merrill F. West High School. I plan to go to Modesto Junior College then transferring to Chico State, with the hope of becoming a veterinarian. My Supervised Agricultural Experience for this year is raising a market hog to show and sell this summer at the San Joaquin AgFest.

The hog that I own this year is a crossbred and her name is Christina, I feed her at least twice a day, clean up any poop that there is inside the pig's pen, refill their waterer, and be able to walk her for showmanship. My goal for this year's Supervised Agriculture Experience is to be able to learn more about pigs and helpfully get more knowledge on what my career will look like.

**Quantity:** 256
