Description

My name is Samuel Lemos. I am nine years old and a member of the Linden Peters 4-H Club. This year I am excited to be showing my first animal at San Joaquin Ag Fest. He is a steer named Thoirn weighing about 1,200 pounds. He took third in his market class and the judge said he would have the best meat and would be his pick to put in his freezer. I would like to invite you to consider supporting my beef project at the auction by bidding on or purchasing Thoirn or even putting an add-on in my name.
