Description

Hello, I am Kaetlyn Bogle, a junior at East Union, 9 year member of Calla 4-H and have a love for raising healthy livestock. This year I have an angus steer named Cash. He was born in January 2020 and I acquired him in October 2020 through Adams Farms in Escalon. I really enjoy the challenge of halter breaking and gaining trust with the steers. They are a large animal and it takes persistence, determination, and hard work when handling and caring for a market steer. All skills I will use in my upcoming adult life and college.
