Description

Dozer is a Hampshire Cross Lamb. Dozer and I have been working together for about 3 months. I have worked with him everyday to make sure he is show ready for our prospective buyers. I have received help from my family, project leaders and farm leaders and property owners during this process. My favorite part of raising dozer has been his personality, and eagerness to learn. He has been fed 2 quarts of lamb slam and 1/4 flake of alfalfa per feeding, twice a day.
