Description

My name is Ean Guinn. I am currently in 12 grade at Lodi High. This will be my second year successfully showing turkeys at the fair. I love raising turkeys because they are easy to take care of. Each time I've learned a lot of how to produce a good quality turkey that's safe to eat. I proudly stand behind the motto of farm to fork. I'm glad to be apart of that through Lodi FFA. I've been apart of Lodi FFA since the beginning of high school. Throughout the course of being apart of Lodi FFA I have learned a lot from animal processing to Horticulture. Since this is my last year I'm glad to end it by raising my last turkey and supporting Lodi FFA.
