### **Description**

My name is Brock Parker Mathews. I am 10 years old and this is my first year in 4H, at Alpine Victor. I go to Lodi Christian School, and will be going into 5th grade. I am a senior blue belt, in taekwondo, and just started to take golf lessons. For the last few years, I watched my older sisters and cousins raise pigs for 4H and was really excited to able to do it this year.

My project is a Hampshire pig named "Porker". I named him that because my middle name is Parker and it's similar. What I learned from my project is that pigs have funny personalities. They are all different, but act very similar to dogs. Porker loves to get exercise and run around the grass, behind our house. He even plays with our dog, Linden. It's very cute.

I'm excited to have fair in person and show my pig.

Thank you,

Brock Mathews
