### Description

4H RESERVE CHAMPION Hello, I am Tyler Bogle and I am showing and selling my Market Turkey this year. I am a 5 year Calla 4H Member in Manteca and the current Health and Safety Officer. I really enjoy the Market Turkeys. They have fun personalities and I have learned a lot with the care and feeding of the Turkeys. I am very excited poultry has been brought back to our AgFest. I have watched my sister show and have learned a lot from the previous judges. Market Poultry can be very sensitive and it takes a lot of attention to make sure they have the right housing, clean pens, clean water, and correct feed. I am looking forward to show my hard work with my Market Turkey. Thank you for supporting our youth livestock community.

**Quantity:** 1
