To Whom It May Concern:

Hi! My name is Claire Kelley. I am an 15 year old member of the Tracy FFA and I will be exhibiting one of my two pigs at the AgFest June 17th and 18th. I purchased my crossbred pigs on February 6th. I have been feeding, washing, walking and training my pigs "Arnold" and "Mr. T" every day. I have been working very hard on these tasks to ensure that "Arnold" and "Mr. T" are the weight where they will look their best. I feel like pigs are like people...when you take a bath you feel better and in hot weather you cool down so I wash and condition my pigs every day. It is important to exercise your pig 3-6 days per week depending on a variety of factors. I exercise and train my pig 6 days per week. This allows "Arnold" and "Mr. T" to get out and burn some energy again making them feel good and it gives me a chance to practice my showmanship skills so that I can get better and exhibit my pigs to the best of my ability to the judge.

I will be selling "Mr. T" in the Auction on June 19th at 8:00 am. I am looking for a buyer for "Mr. T". This year the auction will be run a little differently from the past. You can sign up on www.sanjoaquinagfest.org to receive the information packet in the mail. Ultimately you will sign up through **www.stockshowauction.com to make official bids or add-ons**. All animals will be sold by the pound. Example: in a live auction you would bid \$8.00 for an 250 lb pig = \$2,000.00.
