Description

Hello! I am Veronica Martinez Mota presenting Rachel, my last project. I am currently a freshman at Modesto Junior college pursuing to transfer to either CSU Chico or CSU Fresno to study Agricultural Education. I want to give back to the community by teaching others the values of the FFA, leadership, and all the opportunities in which they can take part within the agricultural industry. Rachel is my last AgFest project and will be my 4th hog. Just this past year I raised Rebecca who placed FFA Champion AOB. Rachel loves to eat, pick up sticks and rocks, and walk behind me. She has been gaining weight extremely fast and loves to receive belly rubs!

The money received from my project will go towards my college savings for my summer classes and 4-year college. I look forward to my new college experience as I will finally be able to attend in-person classes this fall on campus.

Thank you for your time and interest! Have a wonderful day and best of wishes!
