Description

This is my rabbit Mr. (even though she's a girl). She is super friendly and truly one of the cutest things I have ever seen. This was my first time ever showing a rabbit but my 5th time attending AgFest where I have previously shown lambs and turkeys. My market rabbit has taught me so many new things about livestock, helped expand my livestock experience, helped with my time management, and created a good friend. I overall enjoyed this project and plan to raise more rabbits in the future.
